Chopped Strand Mat for Automotive headliner EM100SH, EM135SL, EM135SH

Product Description

EM100SH, EM135SL, EM135SH, Chopped strand mat is designed for use in automotive headliners and can also be used in hand lay-up applications.

Product Features

- Uniform distribution of chopped strands
- Suitable tensile strength of mat

Product Design

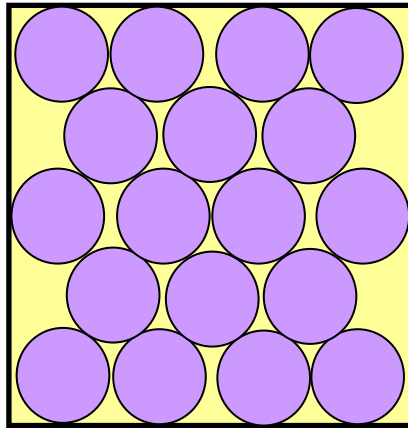

Characteristics		Unit	EM100SH	EM135SL	EM135SH
Mass per unit area	Mass	g/0.09m ²	9.6	11.7	12.8
	Maximum Deviation	%	30		
Loss on Ignition		%	9.0±2.0	8.5±2.0	8.5±2.0
Length		m	200+5.0、-0	170+5.0、-0	150+5.0、-0
Standard Width		mm	1380 1410 1440 1470+10,-0		
Binder Type			Polyester (Powder)		

Packaging

Each roll is contained in a polyethylene bag.

Number of rolls per pallet = 18
