

# DATA SHEET

## E-Glass Chopped Strand Mat for Automotive headliner EM100SL, EM100SH, EM135SL

### **Product Description**

EM100SL, EM100SH, EM135SL chopped strand mat is designed for use in automotive headliners and can also be used in hand lay-up applications.

### **Product Features**

- Uniform distribution of chopped strands
- Suitable tensile strength of mat

### **Product Design**

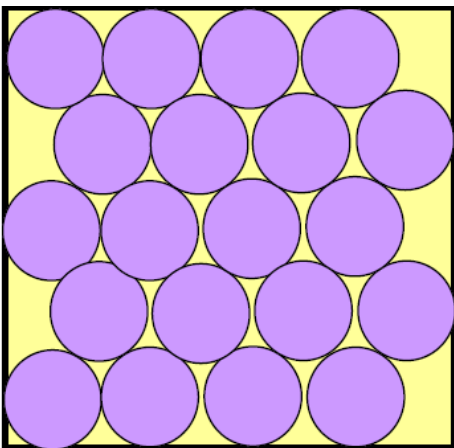

Characteristics		Unit	EM100SL	EM100SH	EM135SL
Mass Per Unit area	Mass	g/0.09m <sup>2</sup>	9.0	9.6	11.7
	Maximum Deviation	%	30		
Loss on Ignition		%	9.0±2.0	9.0±2.0	8.5±2.0
Length		m	200+5.0, -0		
Number of Rolls per Pallet		roll	20	18	18
Standard Width		mm	1380 1410 1440 1470+10, -0		
Binder Type			Polyester (Powder)		

## Packaging

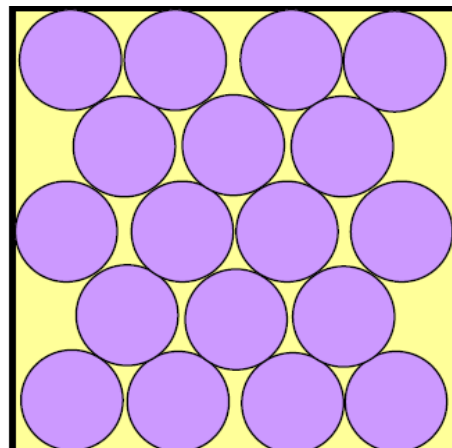

Each roll is contained in a polyethylene bag.

In case of 20 rolls/ pallet

In case of 18 rolls/ pallet
