

### Transparent Theatre glass and the city

This section contains a variety of architectural diagrams. On the left, there are site plans and floor plans showing the building's footprint and its relationship to the surrounding urban grid. In the center, there are cross-sections and elevations of the building, highlighting its glass facade and internal structure. On the right, there are several columns of text, likely providing context or commentary on the building's design and its impact on the city.

### Transparent Theatre glass and acoustics

### Transparent Theatre glass, noise, power and construction

This section is a detailed technical drawing of the building's construction. It includes a large central section showing the building's structure, including the glass facade, internal walls, and floor slabs. Surrounding this are various other drawings, including elevations, floor plans, and detail sections, all providing a comprehensive view of the building's construction. The drawings are highly detailed, showing the complex interplay of different materials and systems.
