Notice regarding the Posting of an Extraordinary Loss due to Environmental Improvement Work

Nippon Electric Glass Co., Ltd. (“the Company”) has resolved at a meeting of its Board of Directors held on September 28, 2017 to conduct environmental improvement work at the former site of the Fujisawa Plant and to post estimated expenses for the work as an extraordinary loss in the third quarter of the fiscal year ending December 31, 2017 (July 1, 2017 to September 30, 2017). The details are as below.

1. Details of the extraordinary loss

The Company performed soil and groundwater surveys at the former site of the Fujisawa Plant which was closed in April 2015. Based on the results of the surveys, it is revealed that environmental improvement work is necessary in accordance with related laws and regulations. Thus, the Company decided to post approximately 3.5 billion yen, estimated expenses for the work, as an extraordinary loss (loss on closing of plant).

2. Impact on business performance

The Company does not plan to revise its consolidated earnings forecasts for the fiscal year ending December 31, 2017.
